REMARKS

A Notice to File Corrected Application Papers was issued on September 21, 2010. In this Notice, it was indicated that several informalities must be corrected prior to issuance of the instant patent application.

Specifically, the Notice indicates that there are non-compliant illustrations in the specification on pages 20, 22, 24-28 and 30. It is stated in the Notice that these illustrations should be deleted, provided as part of formal drawings and amendments under 37 CFR §1.74 should be made as necessary.

In response, Applicant submits herewith instructions to delete Figures 1-8 from the text on pages 20, 22, 24-28 and 30. Further, Applicant provides herewith separate formal drawings (8 figures on 8 pages) presenting the deleted figures in accordance with 37 CFR § 1.84. Finally, Applicant has amended the text on page 19 of the application as filed to include a brief description of these new formal drawings as required by 37 CFR § 1.74.

Should the Examiner have any further questions or concerns or require further amendment to the application before issuance, Applicant invites the Examiner to contact the undersigned authorized representative either by telephone or email.

Extension of Time

Any extension of time that may be deemed necessary to further the prosecution of this application is hereby requested.
